**TOWN OF ALGOMA
WINNEBAGO COUNTY, WISCONSIN
November 18, 2015**

The Public Hearing on the Proposed Amendment to Future Land Use Plan to Town of Algoma Comprehensive Plan was called to order by Chair Rasmussen at 5:45 p.m.

The following Supervisors were present: Terry Hamann, Patricia Frohrib, Joel Rasmussen and Patricia Clark.

The following residents spoke at the public hearing:

Bart Steinert of 2929 Omro Road – Is concerned about changing the zoning to commercial because no one knows what type of business will build in this area. Also, if the farmhouse is gone, the access point would be Omro Road and it would increase traffic.

Russ Potratz of 887 North Oakwood Road – Concerned about the increase in traffic on Omro Road and the location of entrances and exits to the property.

Tim Price of 921 North Oakwood Road – Concerned with what type of business would build on the site.

Jean Leonard of 2897 Omro Road – Concerned about access points and the increase in traffic with a school located in the vicinity.

Russ Potratz of 887 North Oakwood Road – The Town should have a plan for development and how does this change fit into the long range plan.

No one else came forward during the Public Hearing

On a motion by Supervisors Frohrib/Clark, passed on a voice vote, the Public Hearing was adjourned at 5:58 p.m.

Respectfully submitted,

Deborah L Stark, WCMC
Clerk
