Aerosols		Varnish/Stain	Flammable or
Deodorizers		Thinners/Strippers	Combustible
		Adhesives	
		Wood preservatives	
		Driveway sealer	

Secure container lids and transport materials upright. Containers will not be returned.

What do I do with Latex Paint?

—
Latex paint is not accepted at the
Household Hazardous Material Facility
because it can be disposed of with your
regular trash when the paint is dry.

—
If the paint is still liquid, open the
top and allow the paint to air dry. To
speed up the process, you may also
add sand, cat litter or latex paint
hardener to the liquid paint.

Winnebago County may modify
this list or schedule at any time
to meet program needs.

Other Materials

Light bulbs, used auto oil, oil absorbents & filters, anti-freeze, auto batteries, tires, electronics, TVs, appliances and propane cylinders are collected at the Winnebago County Landfill. Charges and restrictions may apply.

Business or Farm Hazardous Materials, radioactive materials, infectious/medical wastes, asbestos and medications are not accepted at the Winnebago County Landfill or Household Hazardous Material Collection Site. Call for options.

For more information call 920-232-1850 or visit us at www.WinnebagoCountySolidWaste.com
