What do I do with latex paint?

Latex paint is not considered hazardous and not collected at this facility. It can be disposed of with your household trash when the paint is dry. To speed up the drying process, add sand, cat litter or latex paint hardener to the liquid paint.

What do I do with alkaline batteries?

Alkaline batteries are not considered hazardous and not collected at this facility. Alkaline batteries may be placed in your household trash for disposal.

Winnebago County may modify this list or schedule at any time to meet program needs.
